

ms[®] Topcoater[®] Elite Series 5 Manual powder cart

High-quality coating with an easy-to-use, multifunctional powder cart system

This versatile system is ready for your manual powder coating needs. Configurations include single or dual applicators and a variety of cable and hose lengths. Built-in cleaning valve and on-demand vibration table comes standard.

The ergonomic, advanced manual powder gun aims to be one of the lightest in its class, reducing operator fatigue and improving efficiency. The controls are easy and intuitive. Color changes can be done in 30 seconds with an automatic cleaning system.

Get outstanding powder charging, high transfer efficiency and more.

FEATURES

- Minimal assembly required
- Balanced, ultralight powder spray gun reduces user fatigue and improves ergonomics
- Built-in cleaning system, achieve color changes in as little as 30 seconds
- Patented corona feedback system ensures high-quality coating without additional accessories
- 7-inch color touchscreen with intuitive controls and display, featuring multiple languages
- Easy storage of up to 96 programs
- Preloaded standard programs for first coat, re-coat, metallic powder and complex-part geometry

MORE FEATURES

- Touchscreen can be used with gloves
- Injector rod for low-air powder feed
- Flat spray nozzle and conical nozzle set included
- Powder feeds directly from the original packaging
- Powder feed with quick, adjustable flow rates
- Diagnostic functions for cascade and control device
- ATEX/FM compliant*

ms Topcoater® Elite Series 5	
Dimensions (W x H x L)	23.6 x 27.6 x 46.1 in.
Weight	110.2 lb.
Power Output (Elite)	250 gm/min
ms Topcoater® Manual Powder Gun	
Weight	15.4 oz. (437 gm)
Length	13.8 in. (350 mm)
Output Voltage	100 kV
Polarity	Negative
Protection Rating	IP 64
Powder Output (maximum)	450 gm/minute
ms Topcase® S5 Controller	
Weight	9.7 lb. (4.4 kg)
Power Supply	(AC) 100-240 VAC/50-60 Hz
Input Air Pressure	6 bar, 90 psi
Dimensions (W x H x L)	7.9 x 4.7 x 11.0 in.
Protection Rating	IP 64
Charging Technology	Corona
ms Topcoat® Series 5 Accessories	
Nozzle Extensions:	

- Flat Spray Nozzle Extension in 150 mm/300 mm lengths
- Round Spray Nozzle Extension in 150 mm/300 mm lengths

* Certification model dependent

The brands you trust

Carlisle Fluid Technologies, a wholly-owned subsidiary of Carlisle Companies Incorporated, is dedicated to providing customers industry-leading solutions for the supply, control, application and curing of a wide range of paints, powders, sealants, adhesives and other application materials. From manual finishing equipment, to highly automated mass-production installations, the company solves customers' material application challenges through the combination of product innovation and decades of technical expertise. Focused on efficient, cost-effective global solutions for the transportation and other industrial markets, the company offers an expanding collection of pioneering product brands - BGK™, Binks®, DeVilbiss®, Hosco®, ms® and Ransburg®.
